- Flat Free Wheels
- Non-Corrosive Float Tank
- Efficient Oil Burner for Up to 210° F

Alkota's 216X4 is a versatile and accessible hot water pressure washer. It only requires a 115V 20Amps power outlet, which allows it to be used in a wide variety of locations. Easy to move where you need it, the 216X4 cleans up quickly with an industrial pump and quick heating coil for hot water on demand. Clean up with confidence when you add the 216X4 to your equipment lineup.
